

“The Scientific Association Dedicated to Analytical Excellence”

In our pursuit toward analytical excellence we work together to develop and validate better methods, establish best laboratory practices, create robust quality management systems, and build sustainable laboratory organizations. Peer-to-peer networking with top scientists is imperative so that laboratories can adapt to an environment of constant change. Join us for the 34th Annual Meeting as we provide our attendees with new topic areas in biotechnology, energy innovations, nutraceuticals, and nanotechnology. Come hear about promising tools and resources needed to develop improved analytical methods and sustain excellence in these challenging fields of study.

HOTEL INFORMATION

Hilton Garden Inn Buckhead

3342 Peachtree Road N.E.
Reservations: 800-222-8733 or
404-231-1234 or www.ssaoc.com
Rooms: \$152 + tax
\$15/Day \$32/Overnight Parking (Valet)
Note: Government per diem rate may be available, call the hotel directly to receive this rate.

When making room reservations please indicate that you are attending the **Southern Section of AOAC International Meeting**. Reservations must be made by March 31, 2020.

Please join us for an informative meeting in an exciting Atlanta location. Take this opportunity to meet other professionals and widen your understanding of analytical methods. You will make those contacts that really count when you have a problem to solve or a method to develop!

Engagement...

The Southern Section provides the opportunity to bring individuals together to solve analytical problems.

“...the Section provides exposure to ideas that are at the forefront of our academic work...this helps with the process of solving analytical challenges...”

Dana Barr
Emory University

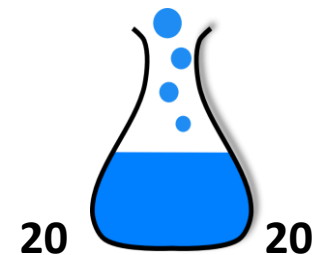

Direction...

Contribute to the direction of analytical science, through participation in the annual meeting and networking your scientific peers.

“...invest in the future and viability of the organization...for us the networking gives us a heads up on regulatory change or food safety concerns...”

Denise Mitchell
Mars Incorporated

Southern Section of AOAC INTERNATIONAL 34th Annual Meeting

ORAL AND POSTER PRESENTATIONS

CHEMISTRY

- Biotechnology, Energy Innovations and Nutraceuticals
- New Technologies & Methodology
- Cannabis, Toxins, Food, Environmental Contaminants, Heavy Metals, Antibiotics, Unknowns
- LC-MS/MS and GC-MS/MS

MICROBIOLOGY

- Biotechnology, Energy Innovations and Nutraceuticals
- New Developments and Analysis of Food Borne Pathogens
- MALDI-TOF Mass Spectrometry
- PCR, Mass Spectrometry
- Rapid testing

2020 Program Chairs

Sookwang Lee: Chemistry Session
sookwang.lee@fda.hhs.gov

Ynes Ortega: Microbiology Session
ortega@uga.edu

MEETING AT A GLANCE

Monday April 13

Executive Committee Meeting

Tuesday April 14

Technical Sessions:

Each session provides technical presentations that will be of interest to all microbiologists and chemists.

Technical Training Workshops:

The technical training give chemists and microbiologists the opportunity to see the latest in analytical technology from industry leaders.

Evening Reception

Enjoy networking with your peers

Wednesday April 15

Chemistry and Microbiology
Concurrent Sessions

Thursday April 16

Professional Development Training

EXHIBITION

Vendor exhibits will be held both Tuesday and Wednesday

POSTER SESSIONS

Tuesday and Wednesday

REGISTRATION

AOAC MEMBER FEE

\$65 if paid by March 1

\$85 after March 1

\$95 onsite

NON-MEMBER FEE

\$75 if paid by March 1

\$95 after March 1

\$110 onsite

STUDENTS ARE FREE
